

## **LEGAL WORKGROUP**

**Chair:** Dr. E. Aligula  
**Panelist:** Mr. J.E.R. Oduol  
Mr. J. Mwenda  
Mr. F.T. Otieno

## **RECOMMENDATIONS**

A legal expert needs to be incorporated in the committee. In this regard, an official from the AG's chambers should be included in this committee.

## **RESOLUTIONS**

1. There is need to protect the rights of producers, custodians, owners and users of geospatial data
2. There is need for jurisdiction issues concerning data protection to be thrashed out
3. A fair use policy is necessary to address issues regarding access and use of geospatial data. This will include addressing the pricing policy.
4. Review/amend the existing laws and where necessary, enact new laws to address emerging challenges/issues
