

DISSEMINATION WORKING GROUP

Chair: Mr. Willy Simons

Panel: Mr. H. M. Ngomo

Mr. D. Milewa

RECOMMENDATIONS

Data providers to prepare metadata for their data holdings and prepare for the establishment of clearinghouse nodes

RESOLUTIONS

1. Working group to include representative from private sector and organizations with existing initiatives or previous experiences.
2. WG to develop a prototype for the KNSDI clearinghouse, building upon previous existing initiatives
3. WG needs to give consideration to security issues in regard to web based technology
4. WG needs to consider cost effective and appropriate technology for data dissemination
5. WG to prepare a technical paper to demystify the technological terms
6. WG to carry out a need assessment and a cost benefit analysis for the establishment of clearinghouse and nodes
